

Latihan 1 Google Cloud Storage

Google Cloud Platform console showing the 'jervinbucket' details page. The 'OBJECTS' tab is active, displaying a table with one object: IMG_2123.JPG, 471.1 KB, image/jpeg, created May 2, 2021. The object is public to the internet.

Name	Size	Type	Created time	Storage class	Last modified	Public access
IMG_2123.JPG	471.1 KB	image/jpeg	May 2, 2021, 1:...	Standard	May 2, 202...	Public to internet

Edit IMG_2123.JPG permissions

Warning: This object is public and can be accessed by anyone on the internet. To remove public access, search for and remove all public entries from the object's permissions.

If you don't rely on individual object-level permissions, you can start managing all permissions uniformly at the bucket-level. Go to the bucket's Permissions tab to get started. [Learn more](#)

Entity *	Name *	Access *
